

Welcome to the WiFi Hotspot Service (Touring Field Only)

4 easy steps to get connected!

1

Locate the settings option
on your device and ensure
the WiFi is enabled.

2

From the list of available networks
select 'Signa WiFi (Touring)'.

3

When prompted enter the
encryption key touring22

4

Once connected a login
screen should appear, if not
please open your internet
browser.

If you haven't registered
previously, please click
"register yourself now",
otherwise log in with your
existing username and
password.

If you experience any problems
getting online, please contact our
support desk on 01423 900 433.
